For the inaugural year, there are 4 divisions of competition: Banker's, Hattiesburg Country Club, Canebrake Country Club and Community Divisions. Community Division teams will compete for the overall Community Division Championship. Format will be 2-person scramble/shamble teams with a shotgun start at 1:30 PM. To provide fair competition, teams will be paired against teams with similar handicaps – 50% of lower handicap player and 20% of higher handicap player will be used to determine the number of strokes each player/team will be assigned. Men under 65 will play from the white tees. Men 65 and older will play from the senior tees (green tee base). Only women will be allowed to play from forward tees (red tees). Top four teams from each Division will be awarded prizes. These four teams will advance to “The Shoot-Out Challenge” to determine the FestivalSouth Golf Classic World Champion. Food and beverage will be provided on the course and during the awards program. Driving range will be available starting at 12:30 PM.
